The Faculty

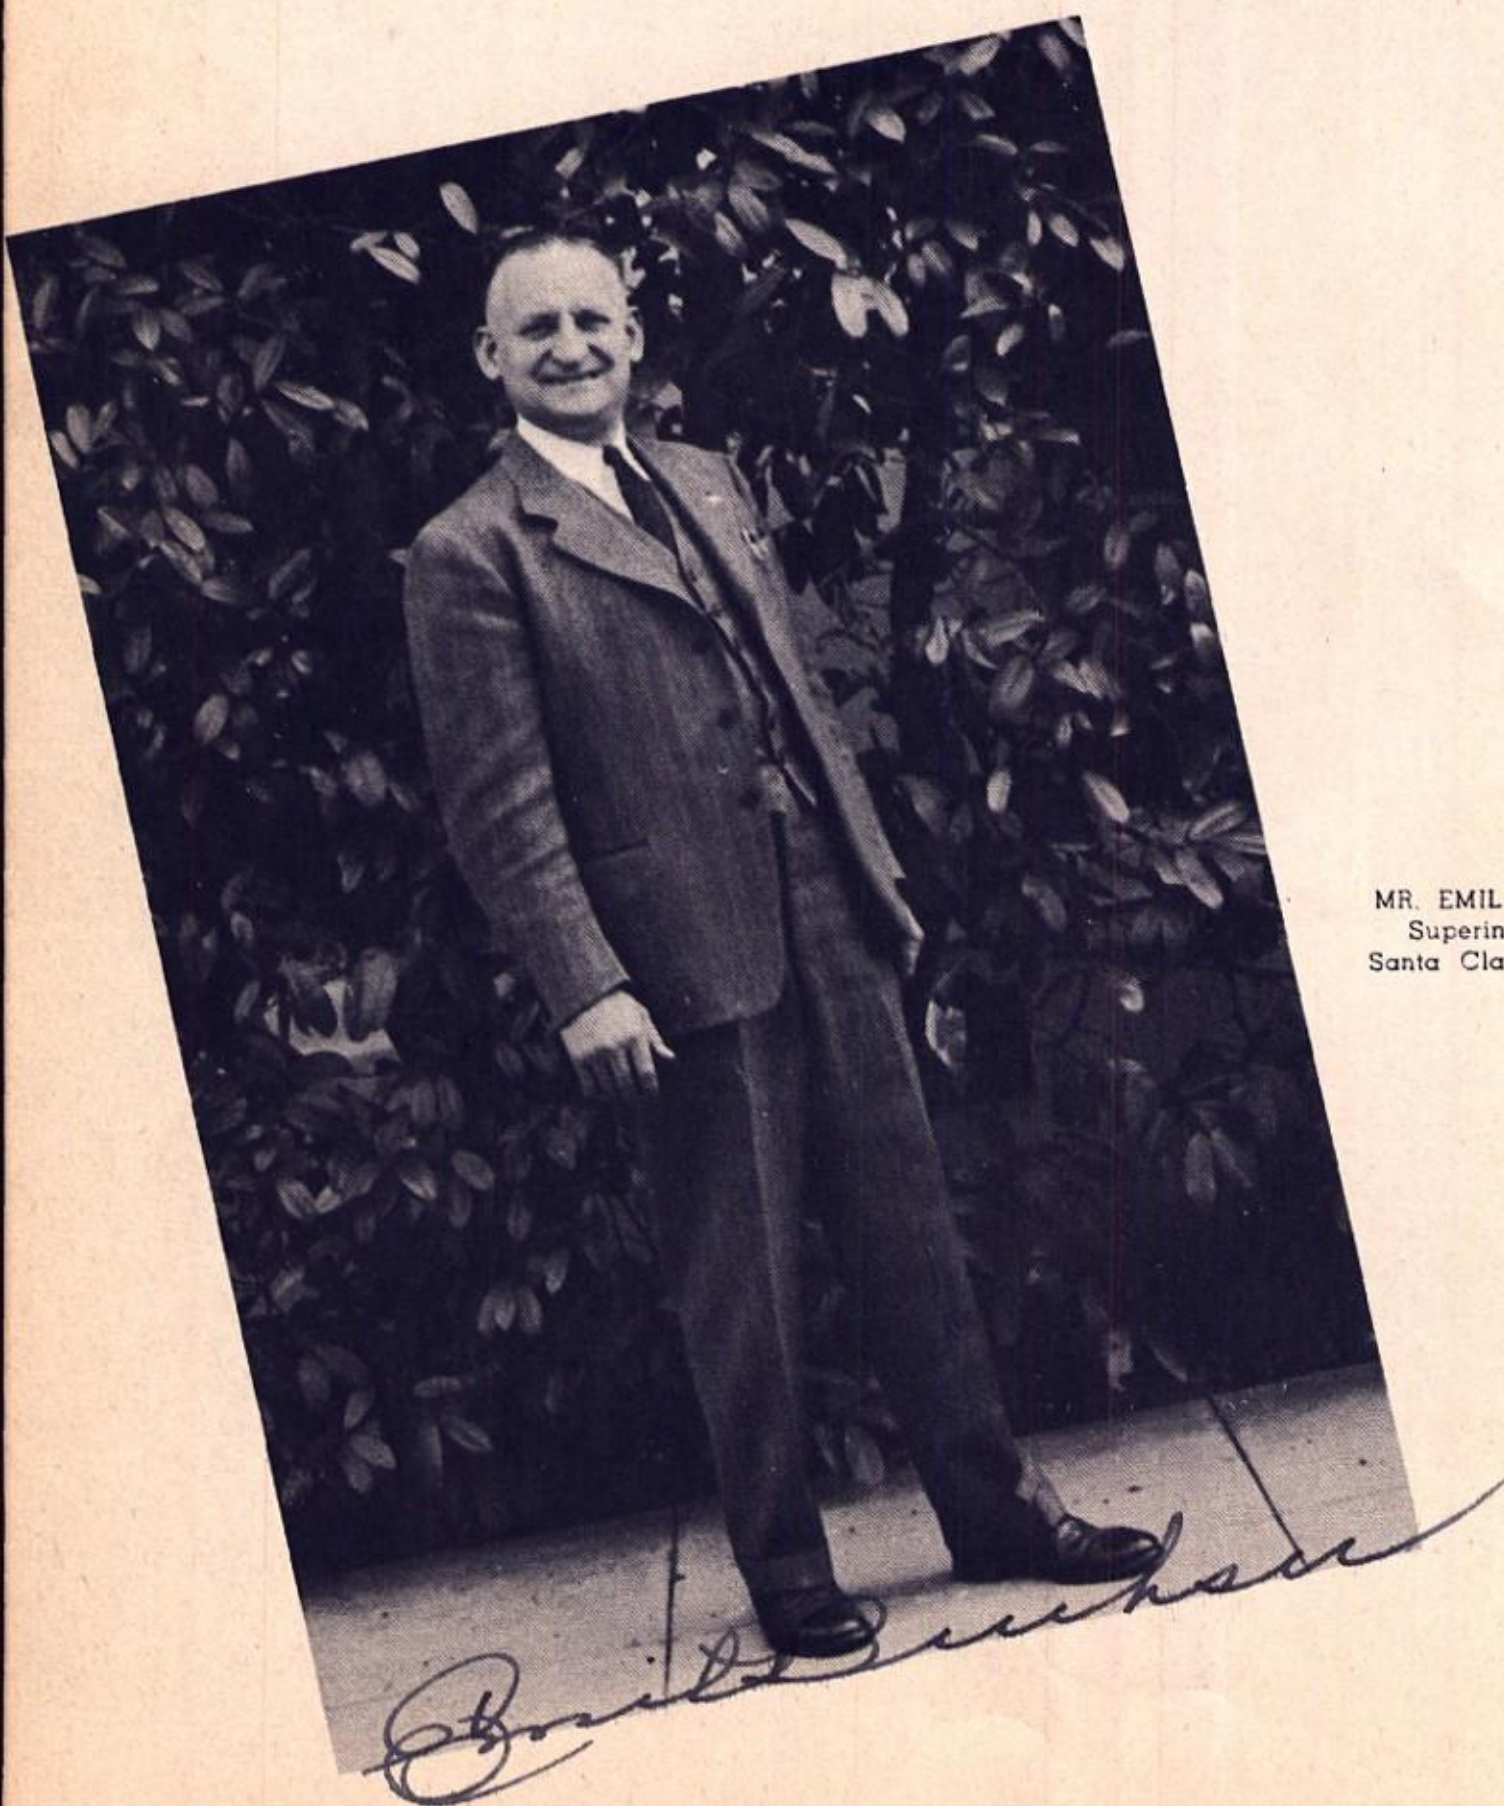

Dunce caps, of course, no longer exist, but it's not for a freshman to refuse any request made of him. Kenneth Hallenbeck dons the cap only for the sake of the picture.

Many students still have faith in "an apple for the teacher." Gene Schwab, freshman, has his ready in case he should need it.

The Tocsin Staff

George Buehring, snapshot editor;
Alex Gonzales, art editor; Marilyn
Rice, class and club editor

BETTY ANN SEELY,
editor

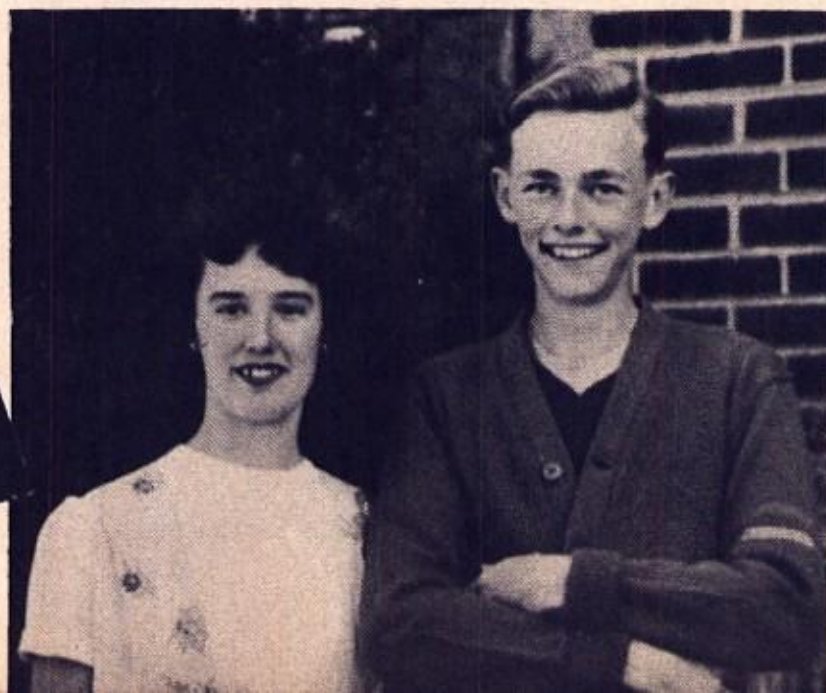

Meeting nights and after school, Betty Ann and her willing assistants planned the "dummy" for the 1946 Tocsin and wrote the necessary material. They present more pages and more pictures than the wartime staff was able to procure, but they still found production difficulties.

Miss Eulalie Diehl, the advisor, received valuable aid from Mr. J. Halley Cox, art teacher.

BETTY TRUE,
assistant editor

Dolores Mesa, girls' sports editor and
Clarence Tower, boys' sports editor.

The Hi Times staff started out this year with only two experienced journalists, but they managed to turn out issues full of interesting news articles and many features.

The paper was published bi-weekly instead of weekly to allow more space for sports and features.

Elvera Valenzuela and Betty Thompson, who graduated in February, are not pictured.

Miss Eulalie Diehl was the advisor.

On May 4 the group took part in the annual Spring Festival at San Jose State.

Only twenty-four students had ever played in the band before, but since there are only six graduating, the director has great plans for next year.
